New Housing Applications	28	69
Accommodation Adjustments Requests	34	31

Student surveys are sent out at the end of each semester to get student feedback. Feedback is used to improve our services and communication. This past academic year we launched a new data base, started different outreach efforts with students and faculty, and offered services through our Student Resource Center. The surveys were primarily based to gather feedback on the student experience so that we can adapt to the students' needs.

Some Fall 2022 Feedback:

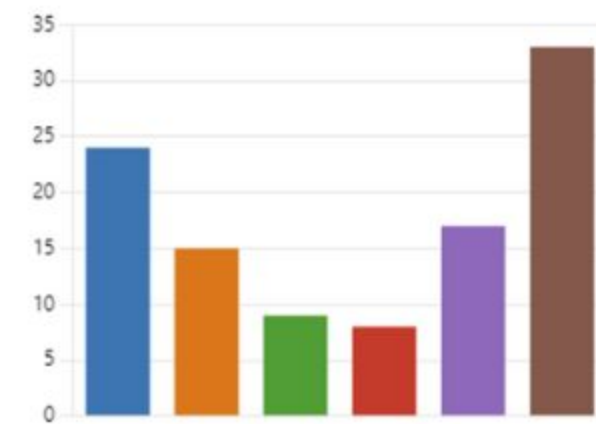

1. How did you hear about our office?

[More Details](#)

5. Please provide us feedback on our new location regarding the below (Please type all feedback in 'other' section):

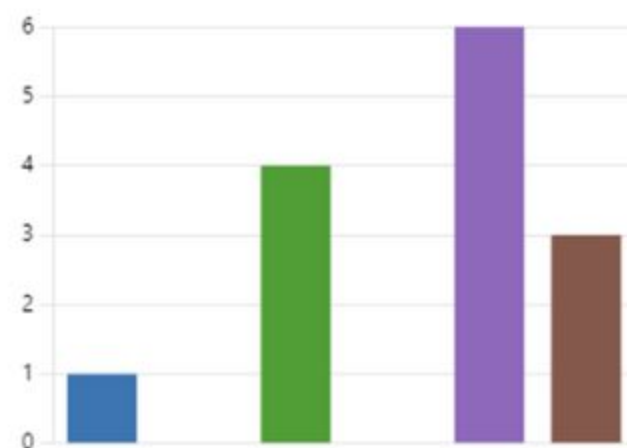

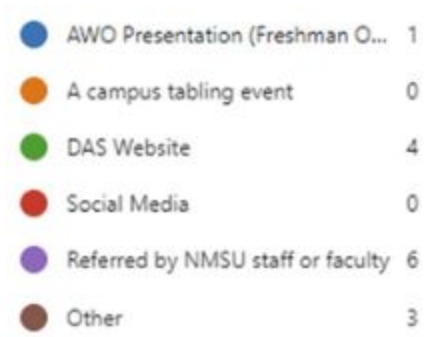

[More Details](#)

Some Spring 2023 Feedback:

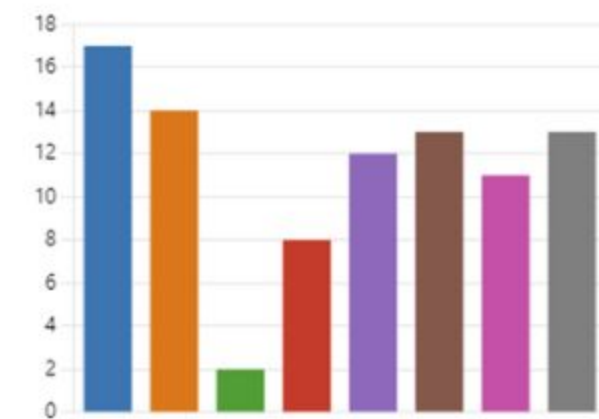

2. How did you hear about our office?

[More Details](#)

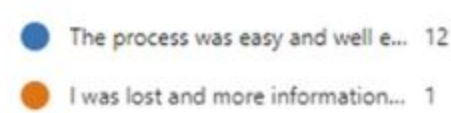

7. Please let us know what services you utilize from our office. (Check all that apply and please type additional feedback in 'other' section):

[More Details](#)

3. What did you think about the process to apply for accommodations?

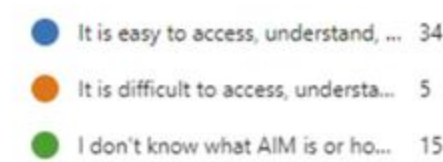

[More Details](#)

8. What did you think about using the AIM (Accessible Information Management) case management system that manages your accommodations?

[More Details](#)

[Insights](#)

9. If you found the AIM case management system difficult to access, understand, what can we do to help?
