Assessment and Evaluation in Student Success

How should students benefit from participating in our programs and services?

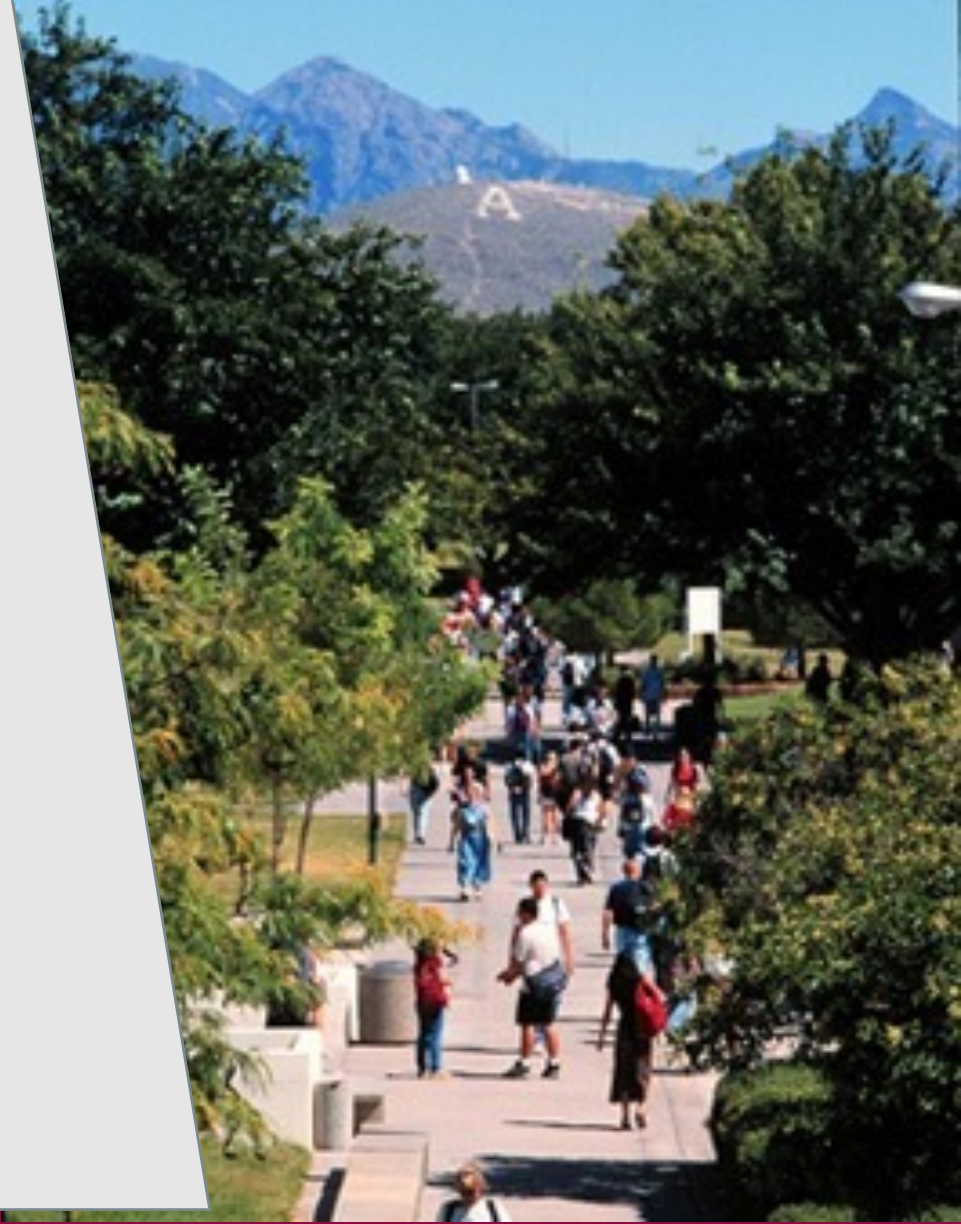

How do we know if we are successful?

BE BOLD. Shape the Future.®

Purpose: Assessment and Evaluation

- Continuous Improvement
- Accountability
 - To students for effectiveness
 - To ourselves that we are fulfilling our commitment to students with integrity and sincere commitment to their education
 - To administration for investment; from state, from NMSU
 - To other stakeholders: alumni, legislators, community, families
- Leadership Development
